A mobile application interface for a 'Forgot password' screen. The screen is framed by a thick black border representing the phone's bezel. At the top, there is a status bar with a grey background containing icons for signal strength, battery, and the time '17:17'. Below the status bar, the main content area has a white background. The title 'FORGOT PASSWORD?' is centered in a large, bold, black font. Below the title, there are two paragraphs of text: 'Please provide the email address that you used when you signed up.' and 'We will email you instructions for your password.' Below the text, there is a text input field containing the placeholder text 'example@email.com'. Below the input field is a 'SUBMIT' button. At the bottom of the screen, there is a navigation bar with four tabs: 'Home', 'Gallery', 'Account', and 'About Us'. The entire interface is rendered in a simple, hand-drawn style with black outlines and text.
